*"Trees of Righteousness"*

*October 8, 2017*

*By: Charlotte Childree*

*Ps. 1:1-3 (NiV) Blessed is the one who does not walk in step with the wicked or stand in the way, sinners take or sit in the company of mockers, but whose delight is in the law of the Lord, and who meditates on his Law Day of the Lord, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season, and whose leaf does not wither; whatever they do they prosper.*

*Tyrone and I were driving down the road and I was looking out the window. I began to notice the trees; some were very tall, some little, some bent. There were bushy ones and stout ones. I began to notice the differences of limbs, leaves and color, what a beauty! I thought about how their roots go down deep in the earth. How they stand in all types of weather, even those planted on the hillside bend with the storms.*

*Sure, some branches may snap and some are uprooted because their roots are not deep. We may lose some leaves and a few branches but we still stand.*

*Jeremiah 17:8 says They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit."*

*Jesus is the water that causes us to flourish. No other will satisfy. He is the living water. Let your roots grow deep where the water is. Then we will be able to stand and grow in all the changing seasons and storms of our lives.*
